

2018 PRIVATELY ORGANIZED INTERNATIONAL COASTAL CLEANUP TIP FEE WAIVER AUTHORIZATION FORM

ORGANIZATION: _____ **DATE:** _____

BILLING ADDRESS: _____

CONTACT NAME: _____ **PHONE:** _____

This form confirms that the above mentioned organization is authorized to deliver this load of solid waste generated from an International Coastal Cleanup (ICC) to the Rhode Island Resource Recovery Corporation (Resource Recovery) Central Landfill at no charge for up to 5 tons, no later than one week from the date of the last cleanup listed. Any tons over 5 tons will carry a charge of \$110/ton, and will be billed to the organization listed above. Bulky waste items still carry their normal charge as listed in the current [Fee Schedule](#).

- **The private organizer's signature** below certifies that the cleanups listed here did take place for the International Coastal Cleanup on/around September 15, 2018 and are registered with Save The Bay; that they did not cover areas that normally fall under the municipality's or the state's responsibility to keep clean; that none of this debris is the result of a special waste collection; that none of these cleanup groups are normally charged with and have funding for litter-cleanup.
- **The driver's signature** below certifies that the content of this load is the same material and only that material generated from the ICC cleanup(s) listed here or, if mixed, an attachment has been included showing an estimate of the weight of the cleanup debris.

Resource Recovery reserves the right to bill the organization for an entire load if any of the listed cleanups from that load are found to be non-compliant with the above certified statements.

Private Organizer's Signature

Hauler/Driver Signature

Please see page 2 of this form to fill in the Required Cleanup Information. This list must be provided with the above signed form.
